PROFESSIONAL EXPERIENCE

Front-end Developer | Freelance   07/2024 – Present
Digigo Group
- Developed a responsive e-commerce platform using React, integrating APIs for product data, shopping cart, and secure checkout. Utilized React hooks for state management and Tailwind CSS for mobile optimization. Implemented form validation and user authentication for enhanced security.

Front-end Developer   06/2024 – Present
Tripsee
- Responsible for building and optimizing user interfaces, developing responsive layouts, and enhancing user experience using technologies like Next.js, Tailwind CSS, TypeScript, Redux, and Git. Additionally worked with REST APIs, server-side rendering.

Front-end Developer | Intern   11/2023 – 12/2023
4SİM / C4IR Azerbaijan
- Collaborated with a team at 4SIM Azerbaijan as a front-end developer, contributing to the design and implementation of user interfaces for web applications, ensuring responsiveness and optimal user experience.

PROJECTS

Hərşeyburada: 🔗
- Developed a user-friendly e-commerce platform, featuring a clean and responsive interface for browsing and purchasing products.

Portfolio-Website 🔗
- I've meticulously crafted a personal portfolio website to showcase my adept front-end skills, rich experience, and impressive projects.
